

Como instalar Anaconda

1. Ingresar a:

<https://www.anaconda.com/download>

Descargar el instalador e instalarlo

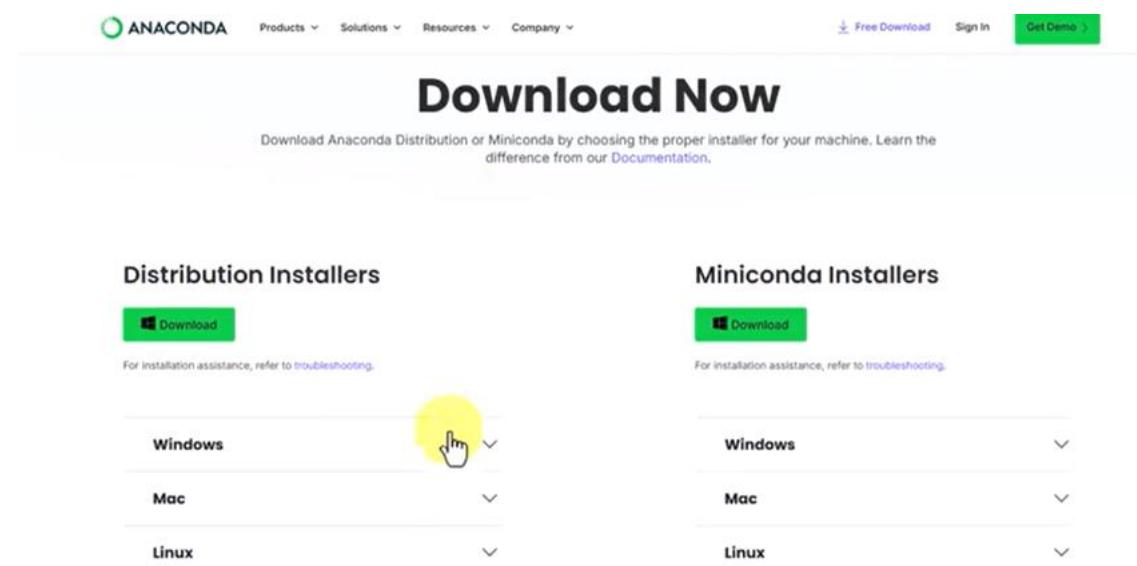

The screenshot shows the Anaconda website's main landing page. At the top, there's a navigation bar with links for 'Productos', 'Soluciones', 'Recursos', and 'Empresa'. On the right side, there are buttons for 'Descarga gratuita' (Free download), 'Iniciar sesión' (Log in), and 'Obtener demostración' (Get demonstration). A large green button labeled 'Empezar' (Start) is prominent. To the right of the start button, there's a box containing text about getting access in 30 seconds and a link to 'Usuarios recurrentes' (Recurrent users). Below the start button, there's a list of bullet points describing Anaconda's features: 'Busque e instale fácilmente miles de paquetes de ciencia de datos, aprendizaje automático e inteligencia artificial', 'Administre paquetes y entornos desde una aplicación de escritorio o trabaje desde la línea de comandos', 'Implementar en plataformas de hardware y software', and 'Instalación de distribución en Windows, MacOS o Linux'. At the bottom left, there's a note for students and researchers about creating a free account with their educational domain. An orange arrow points from the text 'pueden crear una cuenta gratuita con su dominio educativo.' to the blue link 'el plan Anaconda para Educación'.

2. Luego elegir con que correo instalar

The screenshot shows the 'Sign In' page of the Anaconda website. The title 'Sign In' is at the top center. Below it, a sub-headline reads 'Continue your journey with Anaconda and access all your tools and features.' There's a text input field for 'Email' with a placeholder 'Email'. Below the input field is a 'Forgot Password?' link. A paragraph of text explains the terms of service: 'By clicking Sign In with Email, or signing in with Google, Microsoft, or GitHub, I agree to the collection of my data, Anaconda's [Privacy Policy](#) and [Terms of Service](#). These terms do not supersede any existing Master Subscription Agreement or other enterprise agreement entered into with Anaconda.' Below this text is a large green button labeled 'Sign In with Email'. Underneath the button, it says 'or sign in with' followed by three social media logins: Google, Microsoft, and GitHub. At the bottom, there's a link 'Don't have an account? [Sign Up](#)'.

Le mandaran un aviso a sus correos

Donde tienes que ingresar el enlace y te derivara a

The screenshot shows the Anaconda website's download section. At the top, there are navigation links for Products, Solutions, Resources, and Company, along with a Free Download button, Sign In, and Get Demo button. The main heading is "Download Now" with a sub-instruction: "Download Anaconda Distribution or Miniconda by choosing the proper installer for your machine. Learn the difference from our Documentation." Below this, there are two sections: "Distribution Installers" and "Miniconda Installers". Each section has a "Windows" dropdown menu with options for Windows, Mac, and Linux, and a "Download" button. A yellow circle highlights the "Windows" dropdown in the "Distribution Installers" section.
